

Login to <https://mediaocean.com/uk/mou> for your training needs.

- ✓ Access the new Learning Center!
- ✓ View quick cards, and eLearning videos
- ✓ See recommended learning plans, release notes, and FAQs
- ✓ Build your customised playlist

Select your platform to browse the content

Live Training

- ✓ Access the training calendar
- ✓ Sign up for free webinars
- ✓ Register for a live training session

Release Notes

- ✓ Learn about latest enhancements made to your chosen platform

Learning Plans

- ✓ Review the recommended learning plan including all the available training sessions and resources

FAQs

- ✓ Check out the answers to the most common support questions

Have questions? Need a custom training?

Visit Mediaocean University at <https://mediaocean.com/uk/mou>.

View available online resources at your own pace

Click the arrow to expand the course resources

- ✓ Review a brief description of what the resources are going to cover

Click the Quick Cards tab

- ✓ Explore available quick cards on the chosen topic

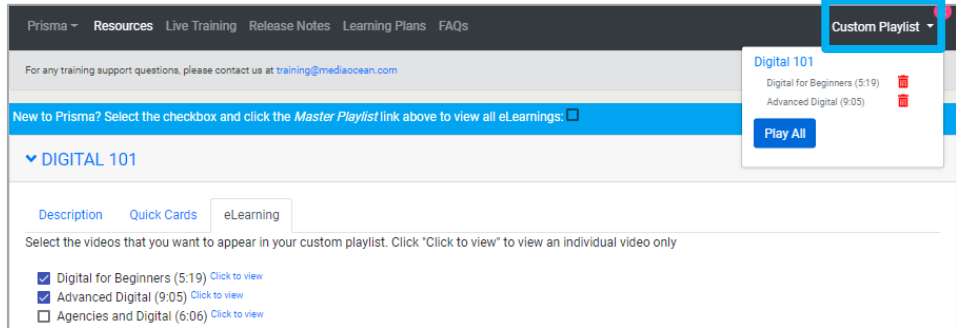

Click the eLearning tab

- ✓ Review and watch available eLearning for the chosen topic—our courses are updated regularly and serve as precursors to classroom training

Create your customised playlist

Click the eLearning tab

- ✓ Build a custom playlist by selecting the topics from the list
- ✓ Click **Custom Playlist**, and then click **Play All**
- ✓ Select videos from across all modules and even across different media, where applicable

The screenshot displays the Prisma eLearning interface. At the top, there is a navigation bar with links for Prisma, Resources, Live Training, Release Notes, Learning Plans, and FAQs. A 'Custom Playlist' dropdown menu is open in the top right corner, showing a list of items under 'Digital 101': 'Digital for Beginners (5:19)' and 'Advanced Digital (9:05)'. A 'Play All' button is visible below the list. Below the navigation bar, a message states: 'For any training support questions, please contact us at training@mediocean.com'. A blue banner reads: 'New to Prisma? Select the checkbox and click the *Master Playlist* link above to view all eLearnings.' Below this, a section titled 'DIGITAL 101' has tabs for 'Description', 'Quick Cards', and 'eLearning'. Under the 'eLearning' tab, there is a prompt: 'Select the videos that you want to appear in your custom playlist. Click "Click to view" to view an individual video only'. Three items are listed with checkboxes: 'Digital for Beginners (5:19) Click to view' (checked), 'Advanced Digital (9:05) Click to view' (checked), and 'Agencies and Digital (6:06) Click to view' (unchecked).
